There are no organizations who have a door-to-door sales permit other than those listed above.  
If a group approaches you any other day or at any other location, please call the desk sergeant.

Please call the Police Desk Sgt immediately at 610-655-6116 if approached.

Residents of Reading: The Reading Police Department would like you to be careful when approached by vendors and door-to-door salespersons. Please check that they have the proper permit from the office of the Chief of Police, not just a business license from City Hall. We have been made aware that there are companies going door to door without a permit and being overly aggressive with residents. Be Careful of the following:

- 1) Don't let them push you into letting them come into your home.
- 2) Make sure they have clear, legible, official company identification.
- 3) Make them produce the permit that they obtained from the Police Department.

- 4) Do not be pressured into signing a contract until you have time to review all information and validity of the company.
- 5) Do not let them pressure you to allow them to "check" on a meter or batteries.
- 6) Consider just taking their information and tell them you will call them at a another time.
- 7) Make them take "No" for an answer if you do not want the goods or service.

IF YOU FEEL UNSAFE OR ANY OF THE ABOVE IS HAPPENING, DO NOT HESITATE TO CALL THE POLICE DEPARTMENT AT 610-655-6111.
